Dear Mayor Muska:

On behalf of all of us here at Embassy Prague, please accept my sincerest condolences. We are all shocked and saddened by the terrible losses your town has suffered. Our American expatriate community here joins all the men and women of the Czech Republic in sharing your grief. The Czech people have great affection for their compatriots in the United States, and particularly in West. Czechs and Americans alike here admire your achievements, your town's commitment to highlighting Czech culture and tradition, and your courage in the face of tragedy. Our prayers and thoughts are with you and the people of West during this horrible time.

Very truly yours,
